Annual Report

Town of

LITTLETON, NEW HAMPSHIRE

1976

“Bob” Baker Retires

As of this January, Mr. Baker began a well-earned retirement.

In Apr. 1959 Robert L. Baker, formerly of Whitefield, became assistant to the Littleton Board of Selectmen and the following January also assumed the responsibility of tax collector.

In the 17 years that he has been closely identified with the municipal affairs of Littleton—the chief administrative officer under the Board of Selectmen—Mr. Baker has seen the Town grow steadily, and its resources and expenditures move apace. He recalls that in 1959 the total cash flow was \$1,641,000—in 1976 it is \$4,600,000. The Town Budget in 1959 was \$523,000, and this year it is \$1,066,000. The total property tax in 1959 was \$791,267.78 to finance all municipal expenses including the School District—this year the total is \$2,561,868.43.

“Bob” was born in Whitefield Nov. 17, 1914, the son of Mr. and Mrs. Lester Baker. He was graduated from Whitefield High School in 1933 and attended Concord Business College.

Mr. Baker has brought to his sensitive position a conservative down-to-earth approach to municipal affairs that has been reflected in the many daily decisions required of him.

During his long service he has seen such public projects completed as the Water Treatment Plant and Sewage System upgrading, and such additional sources of employment and taxes come into existence as the Henschel Shoe Co. and Burndy Corp.

Mr. Baker enjoys fishing and golf as pastime activities.

LITTLETON WARRANT

The State of New Hampshire

To the inhabitants of the Town of Littleton, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Town Hall on the eighth day of March next, being the second Tuesday of March, at eight o'clock in the forenoon (the polls are to open at 8:00 A.M., and may not close prior to 6:00 P.M.; business meeting to be held at the High School Auditorium at 7:00 P.M.), to act upon the following:

ARTICLE 1. To choose one Selectman for the term of three years, one Park Commissioner for three years, a Town Treasurer, a Town Clerk for three years, three members of the Board of Trustees of the Public Library for three years, and one member of the Board of Trustees of the Public Library for one year, and one Trustee of Trust Funds for three years.

ARTICLE 2. To see if the Town will vote to adopt the provisions of Chapter 37 of the New Hampshire Revised Statutes Annotated, as amended, relating to the town manager plan; the following question to be printed on the official ballot, namely: "Do you favor adoption of the town manager plan as provided in Chapter 37 of the Revised Statutes Annotated?"

If the foregoing is adopted, to see if the Town will vote to authorize the Board of Selectmen to advertise the position in a salary range of Fifteen Thousand Dollars (\$15,000.00) to Eighteen Thousand Dollars (\$18,000.00) and to appoint a Selection Committee of five (5) to interview applicants.

ARTICLE 3. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, for Town Manager's Salary if Article 2 above is adopted, General Expenses, Elections, District Court, Town Building, Police Department, Forest Fires, Sewers, Streets and Highways, Vital Statistics, Sidewalks, Town Garage, Health Officer, Hospital, Public Dump, Welfare, Old Age Assistance, Parks and Playgrounds, Community Center, Fixed Charges, Fire Department, Damage by Dogs, County Tax, Public Library, Cemeteries, National Holidays, Advertising, Whitefield Airport, Planning Board, Recreation, Debt Retirement, Interest on Indebtedness, Sewage Treatment Plant, Conservation Commission, White Mountain Community Services, Dutch Elm, Town Road Aid (A), Highway Subsidy, Hydrants, North Country Home Health Agency, White Mountain Region Association, and other necessary expenses.

ARTICLE 4. To see if the Town will vote to authorize the Board of Selectmen to borrow monies, from time to time, for current indebtedness of the Town for the ensuing year, in anticipation of taxes to be collected for the year 1977 and to be paid therefrom.

ARTICLE 5. To see if the Town will vote to authorize the Board of Selectmen to apply for, contract for and accept any State and/or Federal aid and/or funds available at any time relating to disasters or emergencies within the Town, and to expend such funds for repair and relief.

ARTICLE 6. To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent Town Meeting, to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the design of, and construction of a sewage disposal system.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of Seventy Thousand Dollars (\$70,000.00), for the purpose of preparing plans and specifications on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. Sec. 1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Notes not to exceed Seventy Thousand Dollars (\$70,000.00) under and in compliance with the provisions of the Municipal Finance Act (N.H. R.S.A. 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such notes as shall be in the best interests of the Town, and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. Sec. 1251 et seq.); the Town to be reimbursed by the State of New Hampshire for ~~twenty percent (20%)~~ and by the Federal Government ~~seventy-five percent (75%)~~ of the aforesaid Seventy Thousand Dollars (\$70,000.00).

ARTICLE 8. To see if the Town will vote to purchase certain Highway Department maintenance equipment (the Selectmen to require written bids), salt and asphalt, for use by the Highway Department, and to raise and appropriate for said purposes the sum of Seventy-One Thousand Five Hundred Dollars (\$71,500.00); and further, to authorize the withdrawal of said sum of Seventy-One Thousand Five Hundred Dollars (\$71,500.00) for these purposes from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 9. To see if the Town will vote to raise and appropriate for repairs to the Littleton Public Library, the sum of Thirteen Thousand Five Hundred Dollars (\$13,500.00); and further, to authorize the withdrawal of said sum of Thirteen Thousand Five Hundred Dollars (\$13,500.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 10. To see if the Town will vote to purchase a new Police cruiser, and to raise and appropriate for said purpose the sum of Four Thousand Two Hundred Dollars (\$4,200.00); and further, to authorize the withdrawal of said sum of Four Thousand Two Hundred Dollars (\$4,200.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen to withdraw the sum of Forty Thousand Dollars (\$40,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 to defray the cost of lighting the streets of the Town.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of Three Hundred Thousand Dollars (\$300,000.00) to pay the amount of the installment payable by the Town to New England Power Company pursuant to the Decree of the Grafton Superior Court entered on March 12, 1975 in the tax abatement suits previously brought by said Company against the Town.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of Four Thousand Two Hundred Dollars (\$4,200.00) as the Town's share of operation of the North Country Council for one year, beginning July 1, 1977.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500.00) for the renovation of the Police Station in the Town Building; and further, to authorize the withdrawal of said sum of Three Thousand Five Hundred Dollars (\$3,500.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 15. To see if the Town will vote to authorize the Trustees of the Town Trust Funds and the Board of Selectmen to expend out of interest on hand in the Town Building Fund, the sum of Ten Thousand Dollars (\$10,000.00) for repairs to the Town Building.

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum not exceeding Twenty Thousand Dollars (\$20,000.00) for a new roof on the sewage treatment plant.

ARTICLE 17. To see if the Town will vote to authorize the Board of Selectmen to offer full Blue Cross-Blue Shield Family Plan coverage for all employees of the Town; and further, to raise and appropriate a sum not exceeding Six Thousand Three Hundred Dollars (\$6,300.00) for the cost of such coverage for the period beginning April 1, 1977.

ARTICLE 18. To see if the Town will vote to authorize the Board of Selectmen to arrange for controlled burning of brush at the Town Dump.

ARTICLE 19. To see if the Town will vote to authorize the Board of Selectmen to sell the Pest House property situate at the end of Hill Street and now owned by the Town and containing eleven (11) acres, more or less, for a sum not less than Fifty Thousand Dollars (\$50,000.00); the Selectmen to require sealed bids and to reserve the right to reject any and all bids.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) for a Bridge and Transportation Study by Gordon Ainsworth & Associates re proposed new bridge across the Ammonoosuc River in the South Street area.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of Ninety-Five Thousand Dollars (\$95,000.00), as interim construction financing, for

construction of roadways, sewer lines, storm drains and drainage facilities in the South Street Extension area, and to authorize the Board of Selectmen to borrow on the credit of the Town the sum of money so raised and appropriated, and for this purpose to authorize the issuance of Serial Notes of the Town under and in compliance with the provisions of the Municipal Finance Act or other enabling authority; the aforesaid appropriation being conditioned upon the grant of Federal funds from the Economic Development Administration so that the Town will be fully reimbursed; and further, to authorize the Board of Selectmen to apply for and accept any additional funds available from said Economic Development Administration to be expended for the same purposes, and also any like funds available from the State of New Hampshire.

ARTICLE 22. To see if the Town will vote on the following question to be printed on the official ballot, namely: "Are you in favor of the adoption of the amendment to the existing Town Zoning Ordinance as proposed by the Planning Board?"

ARTICLE 23. To hear the reports of Agents, Auditors, Committees, including the Planning Board, or officers chosen, and pass any vote relating thereto.

ARTICLE 24. To choose any other necessary Town Officers for the ensuing year, and to choose and elect any Agents or Committees which may be necessary to carry into effect any vote that may be passed under the Warrant.

ARTICLE 25. To transact any other business that may legally come before the meeting.

Given under our hands and seals this eleventh day of February, 1977.

BEDOR AND CHURCH

**Certified Public Accountants
52 Main Street
Littleton, New Hampshire 03561**

January 28, 1977

Board of Selectmen
Littleton, New Hampshire 03561

Gentlemen:

Enclosed are the financial statements of the Town of Littleton for the year ended December 31, 1976, together with the auditor's report. The statements should be printed in the annual report for 1976 as they appear here.

At a later date, we will issue a management letter outlining our recommendations for the improvement of accounting procedures and controls where we feel improvements are necessary.

We would like to extend our gratitude for the cooperation which town personnel have given us during the course of this audit.

Yours very truly,

BEDOR AND CHURCH

TOWN OF LITTLETON
FINANCIAL STATEMENTS—Dec. 31, 1976

**TOWN OF LITTLETON
NOTES TO FINANCIAL STATEMENTS**

December 31, 1976

1. Significant Account Policies

Bases of Accounting

The modified accrual basis of accounting is followed by all funds, in accordance with generally accepted accounting principles applicable to government units. Modifications in this method from the accrual basis are as follows:

- a. Inventory items are recorded as expenditures when purchased.
- b. Revenues are recorded as received in cash except for property taxes which are accrued.
- c. Interest expense is recorded as payments are made.

Investments

Investments are stated at cost.

General Fixed Assets

General fixed assets are recorded as expenditures when purchased. No depreciation is provided on general fixed assets.

2. Parking Meter Fund

The resources of the parking meter reserve fund can be expended for the purchase and maintenance of parking meters and for street and highway related expenses.

3. New England Power Company Settlement

Subsequent to December 31, 1974, a settlement was reached with New England Power Company in their suit against the town for abatement of several years' taxes. The settlement was for \$1,700,000 plus interest at 6% from March 1, 1975, to be paid over six years according to the schedule included in Exhibit E.

AUDITOR'S REPORT

January 28, 1977

Board of Selectmen
Town of Littleton, New Hampshire 03561

Gentlemen:

We have examined the financial statements of the funds and account groups of the Town of Littleton for the year ended December 31, 1976, listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the financial statements listed in the table of contents present fairly the financial position of the funds and account groups of the Town of Littleton at December 31, 1976, and the results of operations of these funds and account groups for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Winter Schedule (School Year)

Monday through Friday—10:00 a.m. to 5:00 p.m.

Saturday—10:00 a.m. to 12:00 noon

Monday, Wednesday, and Friday evenings—6:30 p.m. to 8:30 p.m.

Summer Schedule and School Vacation Schedule

Same except evenings are 7:00 p.m. to 8:00 p.m.

LIBRARIAN'S REPORT—1976

Mrs. Elsie Riley, who had served as librarian since 1961, resigned at the end of 1975. Following a search by the Board of Trustees for a replacement, Ellen Robbins assumed the position in late April. During the interim, the library was very ably run by Ellen Morrow and Patricia Stillings, assistant librarians.

Several special events occurred during the year. On the last Friday in April, the Board of Trustees extended an invitation to all townspeople to meet the new librarian at a reception held in the library. In May, Virginia Stewart sponsored a reception for Howard James, author of *Little Victims*, which was held in the library.

Also in May, it was announced that the Littleton Public Library had won 1st prize in the statewide National Library Week contest. It was decided that Ellen Morrow and Patricia Stillings, who had planned and carried out all the events of the week, should appropriate the \$300 award. They felt that foreign language material and reference works were most needed. This award led to further recognition when the library was invited to have a display at the New Hampshire Library Association meeting in November.

The library's first book sale was held on July 2nd. The proceeds will be used to purchase reference material that might not be bought otherwise, due to expense. Some unused furniture and various other items from the basement were sold at auction by George Clement. Receipts from this have been used to buy a card catalog section.

Those of you who watched the Bicentennial parade on July 3rd may have noticed a bookworm named Brilliant inviting you to "wriggle into the future with me." Wriggles were provided by Sandra Fillion, Stanley Fillion, Larry Levitt and Ellen Robbins. The sign preceeding Brillo was carried by Debby Perry and Mike Rose.

In September, the library held a reception for all Littleton teachers. In years to come, the reception will be for new teachers.

New events which occur on a regular basis include weekly story hours for preschoolers; a letter from Louie, the LPL Leprechaun, in the *Courier* each week; and art exhibits on the stairwell walls.

The library now hosts a paperback swap spot. People may take and bring paperbacks without signing them in or out. Also new is a rental program that the library belongs to. Books are rented for as long as they are in demand, then may be sent back or bought at a 75% discount. (There is no charge to the patron.) Bestsellers can be acquired quickly, and in multiple copies if necessary.

The Read-O-Lympics, our successful summer reading program was overseen by Sandra Fillion. Over 90 children participated, and 57 read the 15 books required for an invitation to the party in August. Many groups of

children visited during the year, to see movies and choose books. The classes from the Primary Unit come often, as do Headstart, the North Country Day Care Center, the Montessori school, and the Children's Development Center.

Three film programs, featuring silent movies, were held for adults.

In addition to regular duties, the librarian attended many meetings during the year. She belongs to the North Country District Advisory Council, Supervisory Union #35 Librarian's Council, the New Hampshire and the New England Library Associations. She also presented speeches to the Littleton Rotary Club and the Littleton Historical Society.

Some improvements were made in the building this year. The furnace was repaired, new thermostats put in, and the chimneys repaired with revenue sharing funds. Also, temporary repairs were made on the roof, and three electrical outlets were put in the Children's Room. Many books and magazines have been relocated. Hopefully, our space is now being better used.

Many gifts were received, both new and used—142 books have been added to the collection. Memorial books were given in the names of Everett Miles, Verda S. Smith, the Cobleigh and Farr families, Anna B. Cobleigh, Samuel and Cora Stillings, Sidney C. Brinn, Marjorie Johnson, John Hopkins, Annie Lucas, Clare T. Bodwell, Millie MacMillan, Edith Lewis, Stephen L. Eaton, Frank Roland Hancock, Ruth Thompson Gamelin and William Forbes Cooley. Gregory Lee Santy was remembered by many people. 42 books and 2 dolls were purchased in his memory. Special thanks are due to the Friday Club and the White Mountain Garden Club for their gifts; also to the Littleton Garden Club for the Christmas wreaths. The calculator and the camera, given by Kenneth Grout, are much appreciated.

I want to thank my very capable aides, Barbara Melnick and Mary Downing; my superb assistant librarians, Ellen Morrow and Patricia Stillings; our wonderful summer helper, Sandra Fillion; and our indispensable jack-of-all-trades, Ken Horner. Mary Hayes, through the vocational rehabilitation program, helped us out in November and December. Melissa Stearns and Nancy King left shortly after I came, but I understand they did splendid work while they were employed here.

Last, but certainly not least, I am grateful to the Board of Trustees, first for hiring me, then for providing great leadership and cooperation in the governing of the library.

It has been a wonderful year; the community has made me feel most welcome. The entire staff enjoys library work and we are very happy to be serving the Town of Littleton.

Respectfully submitted,
ELLEN ROBBINS
Librarian

ANNUAL REPORT OF
LITTLETON DEPARTMENT OF
PUBLIC WORKS AND HIGHWAYS

STREETS AND HIGHWAYS

During the winter months, we plowed, sanded and salted outside roads, streets and sidewalks. Also, we cleaned up snow on some of the streets in the compact area. This was for your safe traveling and to let water into the catch basins for run off. We cut trees and brush along the roadsides in some places. Also, we cut the trees and brush on the Pest House Road or Hill Street Extension.

Winter work includes maintenance of School Parking Lot, Community House, Theater, Thayers, Library, Administration and Emergency entrances of the Hospital parking lots.

This spring we cleaned up our outside roads and ditches with the old road Machine, which is pulled behind a truck. From this work we cleaned up over 2000 yards of sand and culch. This was hauled into the town garage and used in our storm drain work. The rest of it was hauled to the dump for cover.

This summer we installed some 1000 feet of storm drain on Saranac, River and Ammonoosuc Streets, also some 1300 feet on South Street. This was done to get the storm water out of the sewer lines. Catch basins were replaced or new ones installed where necessary. Mr. Robert Wilson removed the stumps on Hill Street Extension and roughed out the road. Then we hauled in some 1400 cubic yards of bank run gravel and installed some 700 feet of storm drain and basins. Then we hauled in some 300 cubic yards of crushed gravel for the top.

Railroad Street was regraded and crushed gravel hauled in. South Street Extension from Spreadburys to the Interstate bridges was also regraded and crushed hauled in. Ditches were then cleaned and the guard rail repaired. After this, we oiled this road from Spreadbury's to Burndy's driveways, a distance of about one mile.

This summer the hot top program was continued. A little over six miles were hot topped. Streets and outside roads done were Railroad Street, Pine Lane, Kilburn Street, South Street, Gilmanton Hill, Riverside Drive, Upper Grove Street, Saranac, River and Ammonoosuc Streets, Hillside Avenue, Woodside Avenue, Patriots Drive, Farr Hill Road and Hilltop Road. This paving was done by the Town crew with a Miller Paver that the Selectmen purchased this season.

The ditching continued with the backhoe and gradall bucket. Our gravel roads were graded, culverts were replaced in some places and gravel was hauled onto some of these roads.

This fall we hauled in some 5000 yards of sand to the Town Garage stock pile to be used for winter sand. There was about 2000 yards left over from last year.

TRA work on Stevens Road was completed.

SIDEWALKS

The walls on West Main Street were repaired this summer; and a new wall was built on Pleasant Street. On Saranac a new curbing was installed on part of the sidewalk. On Washington Street, the sidewalk was repaired temporarily so as to get through this year, hoping for a new sidewalk next year. Part of the sidewalk on South Street was replaced this year.

SEWERS

Several lines were rodded and flushed. This was done to prevent plugging of the lines. We worked on 22 septic systems this year, four repair jobs and eighteen complete systems, meaning new tanks, pipes and the leaching area.

Hill Street Extension, about 650 feet of 8 inch sewer pipe, one man-hole, were installed.

DUMP

The only material used for covering, hauled to the dump this year was the material from our ditch work and from the sweeper. The Loader is doing the compacting the way the State requires it to be done. We put up a storage shed at the dump for the loader this fall.

Respectfully submitted,

WILLIAM J. BEDOR
Supt. of Public Works

WHITE MOUNTAIN COMMUNITY SERVICES, INC.

EXECUTIVE DIRECTOR'S REPORT

January—December 1976

Enclosed in this report are facts and figures which reflect the activities of White Mountain Community Services in the past year. Our request for town support is based primarily on our goal of maintaining service delivery at this level for the coming year. I hope you find this information useful.

A. Clinical Activity:

1. Received 503 requests for mental health services to area individuals and families (18% increase over last year).
2. Held 3,665 counselling sessions with individuals, families or groups from the area (8% increase over last year).
3. Held over 1,000 consultation sessions with other professional persons and volunteers (doctors, nurses, social workers, attorneys, etc.) and organizations concerning those individuals they were attempting to serve.
4. Held educational and community planning sessions with and for interested professional and lay persons in the region served by the agency.

B. Services Rendered:

1. Pre-admission screening and aftercare services for patients entering and leaving the New Hampshire Hospital in Concord.
2. Social, psychological and psychiatric evaluation and/or testing for schools, courts and state vocational rehabilitation services.
3. Psychiatric consultation to physicians and to hospital staff serving patients hospitalized in our local general hospital; mental health consultation to the District Court, School System, Police, Headstart, Public Nurses and the Welfare Department.
4. An on-going inservice program for community and school nursing personnel.
5. Training and consultation conferences in Littleton involving professionals from various local human service organizations.
6. A monthly inservice program for community clergy representing nine of the communities served by White Mountain Community Services.
7. Numerous training sessions with area law enforcement personnel in the area of crisis intervention skill development.

8. Intensive diagnostic and inpatient care in our local hospital for those individuals experiencing emotional problems.
9. A 24-hour, 7-day a week on call emergency service for problems that need immediate attention. A White Mountain Community Services professional staff member is on call at all times.
10. A partial hospitalization program to provide more extensive care for those individuals for whom individual therapy is not sufficient.
11. Outpatient counselling to area residents—the major activity of the clinic. The services offered include individual counselling, group therapy, family therapy, marital counselling, and play therapy (for children).
12. Psychotropic medication. In certain cases, medication is used as an adjunct to other forms of therapy listed above.
13. Sponsorship of a Parent Effectiveness Training (P.E.T.) course for area residents who desire to improve their communication and overall relationships with their children.
14. Sponsorship of the Children's Development Center in Littleton, now in its seventh year of operation. Services are provided to eleven children for a full year program. The Center provides a program of training and development for handicapped children unable to attend public schools who range in age from three to fourteen years.
15. Sponsorship of T.E.M.P.O. Inc., a sheltered workshop for developmentally disabled persons between the ages of fifteen and sixty-five and now serving 29 individuals. This program provides job-skills training through contracts obtained from local business and industry. This program has recently expanded to a new facility on Main Street in Littleton and now offers a comprehensive program of skills training to individuals with various needs and levels of skill.
16. Sponsorship of the Haverhill Development Center which is now located in Woodsville. This program provides services to six severely developmentally disabled children between the ages of four and thirteen.
17. Sponsorship of the Retired Senior Volunteer Program (sixth year) to help retired persons continue to be meaningfully involved in their community affairs through their volunteer efforts. Because of this program forty-five different area organizations (such as the local schools, the Grafton County Home) received the valuable

services of 300+ senior volunteers, who contributed a total of 35,000 volunteer hours of work during 1976.

White Mountain Community Services is approved as a comprehensive mental health center by the New Hampshire Department of Mental Health and is affiliated with the following State and National organizations: New Hampshire Association of Community Mental Health Clinics, Northern New Hampshire Mental Health System, New Hampshire Health and Welfare Conference, and the Association of Mental Health Administrators.

This non-profit agency is governed by a 40-person board of directors of local citizens. Elections are held each year at the time of the agency's annual meeting (May). All meetings of the board are open to the public and citizens are encouraged to attend. All money voted or contributed to White Mountain Community Services is used to support local needs. This agency serves 22 towns totally, a resident population of 25,775 (8% increase).

PARK COMMISSIONERS' REPORT

The Littleton Park Commission wishes to thank the people of Littleton for their support and encouragement over the past year.

Improvements to the park this year include stairs leading to the main playing field when entering from the Oak Hill Avenue side of Remick Park. Also a storage area has been constructed next to the greenhouse. This area allows storage for all heavy and bulky equipment. This fence was also built to handle a roof if one is ever needed. Darrell Champagne and his staff built both the stairs and the fence.

The Park Commission is still waiting for approval on the tennis courts which were to be built in Apthorp. All possible paperwork was taken care of in June. Now it is in the hands of the Federal Government.

Pierre Lafitte headed the Recreation Program this summer and Miss Carol King was Pool Supervisor. Mr. Lafitte was most happy with the results of the general recreation program especially the learn to swim program for children and adults. This summer plans are being made to offer activities and day trips for the town's senior citizens. Special thanks to Mr. Lafitte and Miss King and their staff for their fine contributions during the summer.

The Ice Hockey program is once again outstanding. Special thanks to Commissioner Jim Baker, Ken Mosedale and John McGrath for the time they have given to our youth to teach them hockey and also to Darrell Champagne who has the ability to stay awake for long late night hours to make the best ice in the North Country.

And our sincere thanks to Darrell Champagne and his staff who take pride in keeping our parks and playgrounds in the best possible condition at all times.

Sincerely,

HENRY E. SHERBURNE, Chmn.

JOHN D. SIMON

JAMES BAKER

Littleton Park Commissioners

LITTLETON POLICE DEPARTMENT ANNUAL REPORT

1976

The Littleton Police Department made a total of 639 arrests during 1976. Motor Vehicle arrests totaled 355, Criminal cases 225 and Juvenile cases totaled 59.

Speed violations were the most prevalent of motor vehicle violations with 83, followed by DWI at 56. The Department is pleased to note the increase in taxi usage at the lounges in Littleton.

The Department investigated a total of 287 motor vehicle accidents, in which there were 18 persons injured. It is interesting to note that of the operators involved in accidents 265 were men and 144 were women. Wednesdays, Fridays and Saturdays accounted for 159 accidents, 55%. Sunday is the safest day to drive with 27 accidents recorded. The time period between 7:00 in the morning and 7:00 in the evening accounted for 219 accidents, 76% of the total. The age bracket from 16 to 25 years accounted for 38% of the operators involved in accidents. Snow and ice conditions were noted on 51 accidents as being contributory factors. Improper backing contributed to 34 accidents and alcohol was a factor in 14.

The Department Breathalyzer was used for 78 tests. Of the 78 operators tested 15 were found to be under the prima facie DWI minimum of .10%. Persons between the ages of 16 and 25 years accounted for 56% of the tests. Nineteen of the persons tested were in excess of .20%.

Of criminal arrests, Disorderly Conduct was the most frequent with 27, followed by drug offenses with 22, Theft and related crimes totaled 21 and Burglary and Criminal Trespass together totaled 25.

Burglary and drug offenses were the most numerous of juvenile cases.

All members of the Littleton Police Department completed a course in Crash Injury Management and First Aid. It was conducted by EMT instructors William Mead, Cathy Burlock and Julie Jasmin. Facilities were provided by the Littleton High School and necessary equipment by Ross Ambulance Service.

A course in Family Crises Intervention was presented through the auspices of the WMCS. Dr. David Hartshorn and Mr. James Good were the instructors in this program. The program was designed to assist police and other emergency personnel in better understanding the factors present during these crises, and to develop skills which would result in more satisfactory results from the confrontation.

Department officers have attended courses in Kidnap/Hostage Negotiations, Bomb Investigations, Police Prosecution, 1st Line Supervision, Offense Reporting/Accounting, and one officer attended the Police Academy. These training programs were developed and sponsored by the New Hampshire Police Standards and Training Council.

Plans have been developed to improve the present police station. All presently available floor space will be utilized. The plans provide for improvement in the security of the police station, compliance to Federal and State requirements relevant to Privacy and Security of Criminal History Information and a more orderly means of conducting police business.

Respectfully submitted,

DONALD M. NOCKY
Chief of Police

LITTLETON CONSERVATION COMMISSION

The Littleton Conservation Commission has been continuing the work at the Dells. The nature trail now goes around the pond because of the new trail that was made on the west side this year. The bike trail is completed and the entrance is no longer through the cemetery. A few more fireplaces and picnic tables have been repaired. Schoff Lumber Co. took the trees that the National Guard pulled from the pond. We received a check from Schoff Lumber Co. for the trees which was turned over to Mr. Baker to be deposited in the Dells Trust account.

Mark Leslie, Scott Simmonds, Todd Nichols, and John O'Kane were the Conservation Commission's workers at the Dells this year.

The paper collection that the Commission has been carrying on has netted 23 tons of paper which has been sold to T.M.I. in Dover, N. H.

Two dredge and fill permits were received. One was from the L.I.D.C. which was held up for a while until corrections were made to stop the erosion that was taking place at the Burndy site. After this was done the permit was approved. The other was to lay a sewer line under the river to the Burndy Corp. This was approved.

Aerial photos of the town of Littleton have been purchased and are in the process of being put together to be used for resource inventories through the use of overlays.

Other activities of the Conservation Commission are the planting of trees in town where it is possible and having a recycling depot for cans and bottles. These are plans of the future.

**NORTH COUNTRY
HOME HEALTH AGENCY, INC.**

**60 HIGH STREET
LITTLETON, NEW HAMPSHIRE**

North Country Home Health Agency provides the following services to the participating towns:

Skilled Nursing Care for: care of the chronically ill; short term care following hospitalization, or acute care in place of hospitalization; visits to newborns and mothers; diet and nutrition teaching; prevention, intervention and control of disease.

Homemaker/Home Health Aide services: maintenance of a patient in his own environment as long as possible through assistance with personal care; ancillary nursing procedures; assistance with meal preparation and light housekeeping.

Physical Therapy services by a Registered Physical Therapist to home-bound patients.

Public Health activities aimed at prevention of disease.

During 1976 these services were provided through:

6545 Skilled Nursing Care visits—a 30% increase

3285 Home Health Aide Visits

2667 hours of Homemaker service—a 25% increase in these two categories

31 Physical Therapy visits—an increase from 4 in 1975

Public Health activities included:

15 immunization clinics for pre-school children

9 well-child clinics providing physical exams for pre-school children of low income families. Follow-ups are made by this office.

6 dental screening clinics for pre-school children, with follow-ups and referrals done by this office.

4 orthopedic clinics held at Littleton Hospital for all area residents under 18.

1 expectant parents course.

1 diabetic teaching course in cooperation with other organizations.

6 "Swine" flu vaccination clinics for all adults in the 15 towns served, as mandated by the State.

This Agency is approved by Medicare and the New Hampshire Department of Public Health as a certified provider of Home Care services. The Board of Directors is composed of volunteer members representing the towns served. It is a non-profit agency and all monies received are returned in direct services to the residents of the 15 towns.

Services rendered to Residents of Littleton:

2050 Skilled Nursing Care visits; 1295 Home Health Aide visits; 775 Homemaker Service hours; 6 Physical Therapy visits; 84 Health Promotion and Assessment visits. Littleton residents may attend any of the clinics held in any area.

LITTLETON PLANNING BOARD

There are six members of the Planning Board: Daniel Edgar, Chairman; Bettina Hummel, Secretary; Maurice Stearns; John Streeter; William Hight; and John Pilgrim. Mr. Hight and Mr. Pilgrim joined the board in April, to fill two vacancies.

During the year the Board considered and approved four major subdivisions and fifteen minor subdivisions, also one Trailer Park was approved. We held four Public Hearings relating to subdivisions and two pertaining to our Zoning Ordinance.

During the beginning of the year, a petition was circulated concerning the abolishment of the Zoning Ordinances and the Planning Board. On Town Meeting day a vote was taken and the zoning ordinances and Planning Board were retained. However, as a result of public sentiment the Board began immediate work on drafting a more comprehensive zoning ordinance and zoning map. After much research and weekly meetings, the Board presented a preliminary draft to interested individuals in town. These people represented all areas of the community and many who expressed dislike of the present ordinance and zoning map. With their input, the Planning Board drew up a final draft to present at Public Hearings in January, 1977, and February of 1977. The public would then vote on the Ordinance on Town Meeting day.

The Planning Board feels this is a comprehensive ordinance which will fulfill the long range growth of our community.

**LITTLETON COMMUNITY CENTER, INC.
PRESIDENTS' REPORT**

The Littleton Community Center has completed another fine year with the undertaking and completion of several areas of improvements and repairs to its buildings and grounds.

Our major project this past year was the painting of the main building which was completed in late June. Along with this exterior project the chimneys were repaired and two tree stumps were removed from the front and side lawns. Several new trees were planted in these areas.

The interior of the main building had many additions and repairs completed. In the front room a new area rug was purchased and new window shades were installed. The stained glass in the front window was repaired along with several tiles in the fireplace. New carpet was installed on the stairway, and in the ladies room new vinyl flooring was put down. Six new banquet tables were purchased by the Center along with a new vacuum cleaner and lawn mower.

This past fall, with the help of volunteers from the Chamber of Commerce and one driver and truck from the town the Barn attic was cleaned and much unusable merchandise and material was removed.

The list of improvements and repairs is never ending and the Center's officers and directors can only try to divide its limited budget into the areas it feels are most important. With the increased attendance at our meetings, to help in the decision making, I believe the Center has invested its dollars wisely and effectively to give the town's citizens full benefit of its services.

In closing my term as President of the Community Center I would like to express my appreciation for the fine cooperation I have received from the officers and directors, and especially Ann and John Fillion.

Sincerely,

JOHN PILGRIM
President

**LITTLETON AMERICAN REVOLUTION
BICENTENNIAL COMMITTEE
December 31, 1976**

July 3rd, 1976 was the high-light of the Littleton American Revolution Bicentennial Celebration. The parade was excellent, even the weather cooperated until the last unit had passed by. Many organizations cooperated by providing meals and over-night accommodations for the marching units, food concessions all over town, and many other courtesies. Our special thanks to the parade committee: Mrs. Ruth Dabrowski, Donald Greenwood, Harold Sanders and Lt. Col. Robert E. Harrington, who did such a fine job of organizing and lining up the parade, as well as local businesses and groups who sponsored many of the marching units. The Police Department is to be commended for their anticipation in re-routing traffic and arranging parking areas, and their friendly cooperation throughout the day and evening. The Courier and W.L.T.N. assisted greatly with fine stories, advertising and pictures, and the radio station for the live coverage of the parade. The Fireworks at Remick Park were enjoyed by spectators near and far. The Field Day on Sunday was a great success. The Parade Committee also sponsored a Band Concert by the Surbanettes on September 25th, in conjunction with the Art Show. The Town appropriated \$3,000. for the parade, and with donations and sponsors to the Parade Committee, they were able to return \$198.98 to the Bicentennial Committee.

The Littleton Bicentennial Medal, which was designed by Claude Brusseau, went on sale October 11, 1974, has been very successful, with the three local banks handling the sale of same. To date we show a profit of approximately \$775.00, with several medals still available at the Lafayette National Bank or Mrs. Louise Berry, Chr.

The Committee sold jewelry on consignment to compliment the medals, and to date have approximate profit of \$100.00.

"Historical Glimpses of a North Country Community" by Mildred G. Lakeway was published by the Bicentennial Committee, with Dr. Richard L. Hill, Chairman of this project.

2,200 books were purchased from the Courier Printing Co. for \$2,090.00, with \$1,500.00 from Town funds. To date all bills are paid, with an approximate balance of \$350.00 in the bank. This book is now on sale at the Town Clerk's office.

June 5, 1976, Littleton, thru the Bicentennial Committee, received a \$1,000.00 grant from Washington, D.C., for Community Development, to be used in the area around the Opera House. With the cooperation of the

Selectmen, Littleton Garden Club, Junior Garden Club, this project should be completed this spring. A Memorial Garden in memory of Mrs. Anna Pennock, first President of the Littleton Garden Club, was planted by the clubs, with an appropriate plaque in the center of the garden. Redwood and cement settees have been purchased, also.

"The Little Red Wagon" from the University of N.H. was sponsored by the Bicentennial Committee for the youth of the town, at Remick Park in August.

The Historical Society sponsored having date plaques on many old and new buildings in town. Thru many hours of research by the Misses Mary and Frances Heald, the vintage of these buildings was available.

You may recall that Littleton was the first town in New Hampshire to receive the Bicentennial Flag on April 18, 1975, when Gov. Thompson and many dignitaries attended this ceremony. This was another town participation program held at the Opera House, with all ages included in the program.

The Armed Forces Caravan from Washington, D.C., which depicted the four branches of services, was at the Armory in 1975, and hundreds of residents viewed this exhibit.

Littleton was really spruced up for the celebration, with the Chamber of Commerce taking charge of bunting, flags, etc. Thru the cooperation of merchants and individuals the whole town was very festive looking. The hydrants were painted by the Junior Garden Club members, with paint being furnished by our committee. The building erected on Main Street, that contains the large replica of our medal (medal made and donated by the Lafayette National Bank), and other mementos of the year, has been an added attraction.

No doubt, we may have inadvertently omitted projects, organizations and individuals who added greatly to making 1976 such a banner year. We, as a committee, wish to thank each and every one for the fine cooperation we have received these past two-and-a-half years.

MRS. LOUISE P. BERRY, Chr.
MRS. GRETA I. POULSEN
DR. RICHARD L. HILL
Littleton American Revolution
Bicentennial Committee

WHITEFIELD REGIONAL AIRPORT COMMISSION REPORT

1976 was a very busy year at the Whitefield Regional Airport, with many worthwhile projects being accomplished; for example, all the cracks and holes in the runway and apron were routed and filled, as per F.A.A. specifications for our class of airport certification.

A regular air service was run this past summer from June 13th, 1976 to September 13th, 1976. These flights were from Whitefield to Boston and return.

Total Aircraft	1,479
Business	352
Commercial	165
Private & Pleasure	962
Passengers	5,911
Inbound	2,974
Outbound	2,937

There is, at the present time, a new (private) five stall hangar under construction on airport property, as well as a Marker Beacon to be used in conjunction with the instrument landing system. The latter project is State funded.

An airport Master Plan is currently being drawn up, such Master Plan being a prerequisite of the Department of Transportation when processing applications for available airport funding.

It has been a pleasure working with our airport manager, Mr. Roland Ferland, the Selectmen of Whitefield, and the Commissioners of Dalton, Jefferson, Lancaster, Littleton, Northumberland and Whitefield.

Respectfully submitted,

GEORGE BLANEY
Chairman (Bethlehem Commissioner)

SUMMARY PROGRAM OF THE
WHITE MOUNTAINS REGION ASSOCIATION
1976 (39th Year)

Your Region Association during the past year has committed much of its energy and time in helping to design an air passenger/freight system for northern New Hampshire, which, given the constraints of available funds, would have the best chance for long term success. The WMRA, together with the N.H. Aeronautics Commission, the N.H. Office of Comprehensive Planning, the New England Regional Commission, the Lebanon Airport Development Corporation, and the N.H. Transportation Authority, revised the program substantially from that which was implemented during the summer of 1975. The major change was a shifting of focus of the air system from Lebanon, N.H. to Boston's Logan International Airport. The reasons for the change were: 1) a questionnaire distributed to businesses, and informal discussions with numerous residents of the region, confirmed a prevailing opinion that people preferred to fly to Boston, 2) to fly directly to Boston would increase reliability, improve service, and create passenger satisfaction. Other changes included the integration of the Berlin Municipal Airport in addition to the Whitefield Regional Airport, and enlistment of travel agents to handle all reservations, ticketing and information. Also a reservations only system was implemented in an effort to minimize "empty flights" which occurred under the initial fixed scheduled system.

The response to the new air system which began June 13, 1976 has been encouraging. There is no doubt that the program changes have markedly increased public acceptance, but the question remains whether the region can or is willing to support a year-round air service, or whether such service, at best, will be limited to the summer and fall seasons only.

Also, your Association put together and published 40,000 *Where to Stay* folders and, in addition, put together the White Mountains section of the state accommodations directory. The Association distributed thousands of its *Where to Stay*, its *White Mountains Map and Guide*, its *Canoeing and Kayaking* folder, and its *Fall Foliage* brochure to chambers of commerce, to state highway rest areas, and to automobile clubs and travel agents throughout the United States and Canada.

Furthermore, your Association is putting together a new cross country/nordic ski brochure, 30,000 of which will be printed and distributed during the fall and winter of 1976. Other brochures the Association distributed in reply to inquiries were those of Ski 93, the White Mountains

Attraction Association, the White Mountains Center for the Arts, and the Mt. Washington Valley Association. The Association also distributed individual business and town brochures upon request.

Other activities of the Region Association/executive director during the past fiscal year included: 1) weekly surveys during the summer months of hotels-inns and motels to determine "how business was doing." These surveys were conducted in conjunction with the State Office of Vacation Travel to assist that office in its advertising and promotional campaign, 2) conducted two major membership drives, 3) sponsored a "White Mountains Region Day" at the White Mountain Center to which former WMRA presidents were invited, 4) met with selectmen in many communities to outline WMRA activities and to inform them on how best the WMRA could assist them, 5) conducted an annual solicitation of hotels-motels and inns and campgrounds regarding listings in the state and region directories, 6) attended numerous meetings of the White Mountains Center for the Arts for which the WMRA contributes the minutes of each meeting, 7) attended several meetings with Council of Region Associations, 8) participated (shared expense) in a program with the White Mountains Attractions Association at the Mt. Washington Hotel for members of the American Society of Travel Writers (twenty-one members of the Society visited the region, many of whom have written entertaining stories about the region and its activities), 9) sent out appropriation requests to forty-six communities of the region, 10) attended two Governor's conferences on tourism, sponsored by the N.H. Travel Council, 11) prepared to revise the *Canoeing and Kayaking* folder and the *Fall Foliage* folders, 12) preliminary preparation for black fly conference, to be held on Jan. 30-Feb. 2, 1977 at the Balsam's Hotel, 13) spoke on radio and to Rotary Clubs about WMRA activities, 14) contributed \$200 each to the following communities in the interest of local projects: Carroll, Sugar Hill and Franconia, (Please note other communities that have faithfully supported the WMRA over the years will also receive such funding when projects become identified), 15) also contributed to the Bedell Bridge restoration project \$100; the Mt. Washington Observatory, \$25, and the White Mountains Museum of Forest History, \$50, 16) assisted the State Office of Vacation Travel in putting together a tennis information brochure for the region.

The Association answered 3,539 single inquiries, 241 bulk inquiries, wrote 167 personal letters, sent 51 bulletins of lodging and real estate inquiries, sent 15,178 mimeographed letters, and wrote 14 news releases.

LETTER OF TRANSMITTAL

Board of Water and Light Commissioners
34 Main Street
Littleton, New Hampshire 03561

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Littleton Water and Light Department for the year ended December 31, 1975.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent records.

The provisions of Chapter 71-a, Section 21, require that the auditors' letter of transmittal shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Littleton Water and Light Department for their assistance during the course of the audit.

Very truly yours,

EDWARD A. HENNESSEY, C.P.A.
Estle, Martin, Thomas & Hennessey
Public Accountants

**LITTLETON WATER AND LIGHT DEPARTMENT
FOR THE YEAR ENDED DECEMBER 31, 1975**

CERTIFICATE OF AUDIT

We have examined the accounts and records of the Littleton Water and Light Department for the year ended December 31, 1975.

Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Littleton Water and Light Department at December 31, 1975, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Very truly yours,

EDWARD A. HENNESSEY, C.P.A.
Estle, Martin, Thomas & Hennessey
Public Accountants
